INFO: COS, MOB, [ ]

SUBJECT { GENERAL Operational/UJDOME/UPSWING  
SPECIFIC Dr. Bruno KALNINS

ACTION REQUIRED: KUBARK Only Traces on Subject and other persons mentioned below.

REFERENCE: PULL 6689

1. We recently received an intercepted letter from Manfred SAMTER, Linnegatan 51-53, Stockholm, Sweden, to UJDOME (Forwarded UNSEPOOV). In the letter SAMTER thanks UJDOME for his letter and sends him a postal money order stub for 100 Kr. in the name of Dr. Bruno KALNINS. He asks that "the money" not be sent to his father but to a Frau Lisa GUNDEL, via Marsala 31, S. Margherita-Ligure (Italy).

2. [ ] reconstructs this transaction as follows: When UJDOME wants to pay KALNINS 100 Kr., he so advises SAMTER. SAMTER then sends a money order to KALNINS. In return for this favor UJDOME sends money to SAMTER's father, wherever he may be, or, as now, to Frau GUNDEL. In this way he either is assisting SAMTER to evade monetary export controls or is himself avoiding direct financial contact with KALNINS. In either case it is somewhat peculiar. Can [ ] give us any clues?

3. We have traces on KALNINS which are most interesting. He possibly was a cutout in an affair involving a proposed infiltration into Latvia (MOBA-1778, 22 June 1950). The trace does not indicate how ODOPAL came to the conclusion that the "BRUNO" of the operation involved was Bruno KALNINS. Furthermore, he is probably identical with the Bruno KALNINS who was traced for a position with FECHORD by SCMA-22288, 25 July 1956.

4. MOBA-20098, 28 June 1950, records some titillating bits on an associate of KALNINS (if ODOPAL is correct), one Voldemar LAMBERGS. If JACKNOT was correct and LAMBERGS was an RIS type, KALNINS certainly comes under suspicion.
